Additional\* to play in the Texas Herd 'Em Tournament

\*Suggested additional minimum donation to play in the tournament. "Texas Herd 'Em" is what we call the popular Poker game of "Texas Hold 'Em." There are 64 seats available for the tournament. Prize awards are donated prizes; no cash prizes will be awarded and no portion of the participants' cash donations will be paid out to players. All who make the "final table" will receive prizes. A picture of the winner will hang in the Museum. Know when to hold 'em and know when to fold 'em. The tournament will begin at 7:00

\*On February 18, 1930, Elm Farm Ollie became the first cow to fly in an airplane. We will celebrate the 82nd anniversary of her historic flight with a mercifully short performance of the opera, *Madame Butterfly*.
